WHOLESALE

Price List

FALL, 1937

GROWERS

OF

QUALITY

NURSERY

STOCK

**This list cancels all previous lists, and
is subject to change without notice**

TERMS AND CONDITIONS OF SALE

ALL PRICES ARE NET, F.O.B. NURSERY AT NORTHBROOK, ILL., BOXING AND BALING EXTRA; NO CHARGE FOR PACKING BULK CARS.

All goods travel at the purchaser's risk and expense.

CAUTION—We accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control.

GUARANTEE OF GENUINENESS—If any nursery stock proves untrue to description or variety name under which it is sold, we hold ourselves in readiness, on proper proof, to replace such nursery stock that may prove untrue to description or name, or refund the original amount paid. **We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.**

CLAIMS for any cause must be made promptly on receipt of stock. **We will not entertain claims after goods have been once accepted,** or when report is not made within **Ten Days** after arrival of stock. **We express or imply no warranty as to productiveness or life of the nursery stock we sell and will not be in any way responsible for the results secured in transplanting.**

SPECIAL NOTICE—Correspondents are requested to use their printed business letterheads. We do not quote prices to retail buyers. We use every effort to limit the distribution of trade prices to those whom we know to be entitled to receive them.

1. The first part of the document is a list of names and addresses. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list is organized into columns, with names in the first column and addresses in the second column.

2. The second part of the document is a list of names and addresses, similar to the first part. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list is organized into columns, with names in the first column and addresses in the second column.

3. The third part of the document is a list of names and addresses, similar to the first two parts. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list is organized into columns, with names in the first column and addresses in the second column.

4. The fourth part of the document is a list of names and addresses, similar to the first three parts. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list is organized into columns, with names in the first column and addresses in the second column.

5. The fifth part of the document is a list of names and addresses, similar to the first four parts. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list is organized into columns, with names in the first column and addresses in the second column.

6. The sixth part of the document is a list of names and addresses, similar to the first five parts. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list is organized into columns, with names in the first column and addresses in the second column.

7. The seventh part of the document is a list of names and addresses, similar to the first six parts. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list is organized into columns, with names in the first column and addresses in the second column.

8. The eighth part of the document is a list of names and addresses, similar to the first seven parts. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list is organized into columns, with names in the first column and addresses in the second column.

9. The ninth part of the document is a list of names and addresses, similar to the first eight parts. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list is organized into columns, with names in the first column and addresses in the second column.

10. The tenth part of the document is a list of names and addresses, similar to the first nine parts. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list is organized into columns, with names in the first column and addresses in the second column.
